Programme Chairman's Message

Dr. Pawan Gupta

Tourism management evolves constantly. But the past couple of years have witnessed a dramatic period of change than the usual. Trends like mobile applications and social media have taken the travel world by storm, thereby, influencing the travelers to act considerably more independently.

Apart from the rapid technological advancements, the world is also witnessing a big socio-cultural, political and economic upheaval. Recession is slowly eating the economies, economic growths have slowed down considerably and the Rupee has lost the sheen. As is with all industries, tourism industry is also greatly impacted.

In such challenging environment, we proudly introduce our sixth batch of Post Graduate Diploma in Management (Tourism & Leisure) for induction into the industry. The students have been imparted adequate professional aptitude, content knowledge, human values and ethics, analytical awareness, the confidence and competence to meet the ever changing challenges of the world's most dynamic industry.

I invite you to our new campus at NOIDA with state of the art facilities for promoting the future doyens of the tourism industry.
