MBA

Tourism & Travel Management

Keeping in view the phenomenal growth of Indian Tourism Business, a strong necessity was felt for grooming more number of world class manpower. Therefore, to meet the requirements of the travel trade, another initiative was taken by Ministry of Tourism to establish another wing of IITTM in the national capital region.

IITTM Noida centre was established in 2007 at Pusa, Delhi and now running from sprawling campus at Noida. At IITTM Noida we offer programme in MBA (Tourism and Travel) which is of two year duration and is approved by UGC in affiliation with Indira Gandhi National Tribal University (IGNTU).

Our programme incorporates both subject specific and generic business modules, and has been designed to reflect industry practices and academic development. Our course touches up on tourism as a business activity - the organization, its working, dimensions, significance and impact of tourism are studied.

MBA (Tourism and Travel) management is a two year full time approved by UGC programme in affiliation with IGNTU. IITTM at Noida campus is the pioneer institute in the country to provide MBA programme in Tourism and Travel to cater to the needs of market in the sector. The programme is systematically divided into four semesters. Out of 2 year, around 8 months are allotted to industry exposure and practical experience so that by the completion of the course the students are well versed with practical intricacies of the industry.
